Mr. Ted Nelson
Box 1546
Poughkeepsie, New York 12603

Dear Mr. Nelson:

We received your post card requesting information on our Multitext System and we have enclosed a brochure showing all of the Industrial Products items. You will find the Multitext System under, "Automatic Announcing Systems" in the second section on the left page.

However, we are now in the process of redesign for this system; then too, there will be a price change.

Mr. C. M. Brainard, our Technical Director for Industrial Products Division is away on a field trip during the present time. He plans to return during the second week in June. At this time, he will be able to give you more conclusive information.

If you have questions, or if there is anything else in which we may assist you, please write again.

Thank you for your inquiry.

Sincerely,

CONCORD ELECTRONICS CORPORATION
